OUR COMMUNITY

Writing the Next Chapter

What your pledge could help add to our budget

Every pledge helps to write part of Saint Paul's next chapter. This year we hope to raise $780,000 for our coming budget, a 19% increase over what we raised last year. Reaching that goal lets us deepen our worship, grow our formation, and widen our care for the community. Below is some of what those added pledges could fund.

IN WORSHIP

- Growing our music ministries, +$6,000

IN FORMATION

- Moving our Youth & Young Adult Minister to full time, +$15,000-25,000
- Fully funding our youth ministry, +$6,000

IN OUTREACH

- Increasing food assistance for our outreach partners, +$5,000
- Creating new outreach opportunities, +$6,000

ON OUR CAMPUS

- Moving our Office Assistant to full time, +$15,000-25,000
- Covering rising building insurance costs, +$8,000

These projects represent only a portion of the increase. The rest sustains the ministry already underway, from rising utilities to building maintenance and materials. Our goal is to meet the rising cost of the work we already do while creating room to build new programs that carry our church forward.
